excessive sales at a high price. In case your book solves an issue or answers questions in a new and unique way, it's best to worth your e-book as excessive as you'll be able to go. Ensure that your gross sales copy is precisely the same on every web page, and includes your selling-deal with sentence. Then determine for each web page the conversion ratio between guests to your site and sales of your book. It will tell you what your optimum value is.
