Do that by making a sales web page for the brand new e book, however don't embody a value on that page. As a substitute, add quite a lot of hyperlinks to survey questions that ask pointed questions to help you in assigning a value to your ebook.

One other technique is to test out costs by making a variety of duplicate sales pages with totally different costs on every page. Ensure your gross sales copy is strictly the same on each web page,

and includes your selling-deal with sentence. Then figure out for each web page the conversion ratio between visitors to your web site and sales of your book. It will inform you what your optimum value is.
