An efficient method for figuring out a worth is to ship out a survey to your current customers. If these clients have already bought an ebook from you, ask for his or her opinion in terms of price. Do this by making a sales web page for the brand new ebook, however do not include a worth on that page. As an alternative, add plenty of hyperlinks to survey questions that ask pointed questions to help you in assigning a value to your ebook.

Another technique is to check out prices by making a variety of duplicate sales pages with totally different costs on each page. Be sure your sales copy is strictly the same on each web page, and

includes your selling-handle sentence. Then figure out for each page the conversion ratio between visitors to your site and sales of your book. This can tell you what your optimum price is.

In the end, in case you've written a ebook that solves a problem or presents a brand new approach, your book will bring in each traffic and profits. So make sure you write that selling-deal with sentence that sums up what drawback your e-book solves and what the benefits of your 1010 guide will probably be to the customers who buy it.
