in each piece of gross sales and promotional materials, and every time anyone asks you about your ebook.

An effective technique for figuring out a value is to ship out a survey to your current customers. If these customers have already purchased an ebook from you, ask for his or her opinion in terms of price. Do that by creating a gross sales web page for the brand new ebook, but do not embrace a worth on that page. As an alternative, add a lot of hyperlinks to survey questions that ask pointed questions to aid you in assigning a worth to your ebook.

One other technique is to test out prices by making a variety of duplicate gross sales pages with different prices on every page. Ensure that your gross sales copy is precisely the similar on every page, and contains your promoting-deal with sentence. Then work out for every page the conversion ratio between visitors to your site and gross sales of your book. This may let you know what your optimum value is.

Finally, if you happen to've written a e book that solves a downside or presents a brand new technique, your ebook will usher in both visitors and profits. So remember to write that promoting-handle sentence that sums up what problem your book solves and what the advantages of your 1054 ebook shall be to the purchasers who purchase it.
