In case your e-book solves a problem or answers questions in a new and unique method, you need to price your ebook as high as you possibly can go. Besides selling your books assiduously online, there are several different methods that can enable you promote extra books.

One is to provide something away free of charge with your e book, similar to a beneficial bonus item. Or bundle several ebooks below one worth, which lowers the price for every e-book in the event that they have been sold separately.

An efficient method for figuring out a value is to ship out a survey to your present customers. If these prospects have already bought an ebook from you, ask for their opinion by way of price. Do that by making a gross sales page for the new guide, but don't embrace a worth on that page. Instead, add a lot of links to survey questions that ask pointed questions to help you in assigning a worth to your ebook.

One other technique is to test out prices by making a variety of duplicate gross sales pages with different prices on each page. Ensure that your sales copy is exactly the similar on every web page, and contains your promoting-handle sentence. Then work out for every page the conversion ratio between visitors to your website and sales of your book. This will inform you what your optimum price is.

Finally, when you've written a e-book that solves a problem or presents a new technique, your book

will bring in each site visitors and profits. So you should definitely write that selling-deal with sentence that sums up what drawback your e book solves and what the benefits of your 1110 guide will likely be to the purchasers who purchase it. After which watch your market come to you!
