Begin at the highest worth the market will bear to bring in the largest profits, and plan to discount the e book a number of instances throughout the year.

## Advertising Strategies

The key that unlocks the sales potential of your e book is to find a single sentence that becomes your selling handle. This sentence states what question or downside your ebook solutions and the advantages your book can provide. Then make sure you use that sentence in every piece of gross sales

and promotional material, and every time anyone asks you about your ebook.

An efficient approach for determining a price is to ship out a survey to your current customers. If these customers have already bought an e book from you, ask for his or her opinion in terms of price. Do that by making a gross sales web page for the brand new e book, but do not include a price on that page. One other technique is to test out prices by creating a variety of duplicate gross sales pages with different costs on every page. Be certain your sales copy is precisely the same on every page, and contains your promoting-handle sentence. Then figure out for every web page the conversion ratio between visitors to your web site and sales of your book. This can tell you what your optimum price is.

In the end, should you've written a e book that solves a drawback or presents a new method, your guide will usher in both site visitors and profits.
