Another strategy is to check out costs by creating a number of duplicate sales pages with completely different costs on every page. Ensure that your sales copy is precisely the similar on each page, and contains your selling-deal with sentence. Then determine for every web page the conversion ratio between guests to your web site and sales of your book. This may tell you what your optimum price is.

Finally, should you've written a ebook that solves a drawback or presents a new technique, your e-book will bring in each site visitors and profits.
