An efficient approach for determining a worth is to ship out a survey to your present customers. If these prospects have already bought an e book from you, ask for his or her opinion by way of price. Do this by making a sales page for the new ebook, however do not embrace a value on that page. As an alternative, add a lot of hyperlinks to survey questions that ask pointed questions to aid you in assigning a worth to your ebook.

Another strategy is to test out costs by making a variety of duplicate sales pages with totally different costs on every page. Be certain that your gross sales copy is strictly the similar on every web page, and contains your promoting-handle sentence. Then work out for each web page the conversion ratio between visitors to your site and sales of your book. This will let you know what your optimum price is.

Ultimately, when you've written a e-book that solves a problem or presents a brand new method, your e-book will bring in each visitors and profits.
