this by creating a gross sales page for the brand new book, but don't embrace a value on that page. Instead, add quite a lot of hyperlinks to survey questions that ask pointed questions to assist you in assigning a price to your ebook.

One other technique is to check out costs by making a number of duplicate gross sales pages with totally different prices on each page. Be sure your sales copy is precisely the identical on every web page, and includes your promoting-handle sentence. Then work out for each page the conversion ratio between guests to your web site and sales of your book. It will tell you what your optimum value is.

Finally, when you've written a e book that solves a downside or presents a new technique, your e book will herald each traffic and profits.
