Instead, add quite a lot of links to survey questions that ask pointed questions to aid you in assigning a value to your ebook.

One other technique is to test out prices by creating a number of duplicate sales pages with different costs on each page. Make certain your sales copy is strictly the identical on every page,

and includes your promoting-handle sentence. Then work out for every page the conversion ratio between visitors to your web site and sales of your book. This will inform you what your optimum value is.
