If your e book solves a problem or answers questions in a new and unique approach, it is best to value your book as excessive as you possibly can go. If you wish to see large profits over customer draw, aim for an audience that is looking for simple solutions to their problems at a low price. In case your e-book is geared toward fixing one particular downside slightly than general advice, then you'll be able to cost more. Begin on the highest price the market will bear to usher in the largest profits, and plan to discount the e-book a number of times all through the year.
