Do this by making a gross sales page for the new e book, however do not embrace a worth on that page. As a substitute, add a lot of hyperlinks to survey questions that ask pointed questions to assist you in assigning a price to your ebook.

One other strategy is to test out costs by creating a number of duplicate sales pages with different costs on every page. Be certain that your sales copy is strictly the same on every page, and

contains your promoting-handle sentence. Then work out for every page the conversion ratio between guests to your website and gross sales of your book. This will inform you what your optimum price is.

In the end, if you happen to've written a guide that solves a problem or presents a new approach, your e-book will usher in both visitors and profits.
