An efficient approach for figuring out a value is to ship out a survey to your current customers. If these clients have already bought an e-book from you, ask for his or her opinion when it comes to price. Do that by creating a sales page for the brand new guide, but do not embody a value on that page. As a substitute, add numerous links to survey questions that ask pointed questions to assist you in assigning a price to your ebook.

One other strategy is to test out prices by making a variety of duplicate gross sales pages with totally different prices on every page. Make sure your gross sales copy is strictly the identical on each page, and includes your promoting-handle sentence. Then determine for every page the conversion ratio between guests to your website and gross sales of your book. This may let you know what your optimum worth is.

Finally, if you've written a guide that solves a drawback or presents a brand new method, your book will usher in both site visitors and profits. So you'll want to write that selling-handle sentence that sums up what problem your book solves and what the benefits of your 1401 e-book might be to the customers who purchase it.
