Do that by creating a sales page for the new book, but don't embody a value on that page. As an alternative, add quite a few links to survey questions that ask pointed questions to aid you in assigning a value to your ebook.

One other strategy is to check out costs by making a variety of duplicate sales pages with totally different prices on every page. Be sure that your sales copy is strictly the same on each web page,

and includes your promoting-deal with sentence. Then work out for each page the conversion ratio between guests to your site and gross sales of your book. This may inform you what your optimum worth is.
