Resolve in case your purpose is to get broad distribution and maximum exposure. sales at an excessive price. If your ebook solves a problem or solutions questions in a new and distinctive method, you must value your e book as excessive as you can go. Remember that the above pricing strategy is temporary. Ultimately, you will stop to promote books at this excessive price. So figure out in advance how lengthy you plan to supply your e-book at this excessive worth, and when that time is up, change your pricing strategy.

If you want to see giant income over customer draw, aim for an audience that is on the lookout for straightforward solutions to their problems at a low price. In case your e-book is aimed toward fixing one explicit drawback relatively than basic advice, then you can charge more. Begin on the highest worth the market will bear to herald the largest earnings, and plan to discount the e book a number of occasions all through the year.

Advertising Methods

The key that unlocks the gross sales potential of your e-book is to discover a single sentence that turns into your selling handle. This sentence states what query or drawback your e book answers and the advantages your e book can provide. Then remember to use that sentence in each piece of sales

and promotional material, and each time anybody asks you about your ebook.

Besides selling your books assiduously on-line, there are several other strategies that may assist you to sell extra books.

An efficient technique for figuring out a value is to send out a survey to your present customers. If these clients have already purchased an ebook from you, ask for his or her opinion by way of price. Do this by creating a gross sales page for the brand new e-book, however don't include a price on that page. Instead, add quite a few hyperlinks to survey questions that ask pointed questions to help you in assigning a value to your ebook.

Be certain your sales copy is precisely the same on every web page, and includes your promoting-deal with sentence. Then work out for each web page the conversion ratio between guests to your website and sales of your book. This may tell you what your optimum price is.
