Do this by making a sales web page for the brand new guide, however don't embrace a price on that page. One other strategy is to test out costs by creating a number of duplicate sales pages with totally different costs on each page. Make sure your sales copy is strictly the same on every web page, and contains your selling-handle sentence. Then work out for each web page the conversion ratio between visitors to your website and sales of your book. It will inform you what your optimum value is.
