One is to provide something away for free along with your guide, comparable to a helpful bonus item. Or bundle a number of ebooks under one price, which lowers the value for every ebook if they had been sold separately.

If these prospects have already bought an ebook from you, ask for their opinion when it comes to price. Do this by making a gross sales web page for the brand new guide, however don't embrace a price on that page. As a substitute, add a number of links to survey questions that ask pointed questions to help you in assigning a value to your ebook.

Another strategy is to test out costs by creating a variety of duplicate sales pages with completely different prices on each page. Be sure your sales copy is exactly the identical on each web page, and includes your selling-handle sentence. Then figure out for each page the conversion ratio between visitors to your site and gross sales of your book. This will let you know what your optimum value is.

Finally, if you've written a ebook that solves a drawback or presents a new method, your e book will usher in both traffic and profits. So be sure you write that promoting-handle sentence that sums up what drawback your e book solves and what the benefits of your *1508* ebook can be to the purchasers who buy it.
