An effective technique for determining a worth is to send out a survey to your present customers. If these prospects have already bought an e-book from you, ask for their opinion by way of price. Do that by creating a sales web page for the new book, however don't include a price on that page. As an alternative, add a lot of hyperlinks to survey questions that ask pointed questions to assist you in assigning a value to your ebook.

One other technique is to check out costs by creating a variety of duplicate sales pages with different costs on every page. Make certain your sales copy is exactly the identical on every web page, and contains your selling-handle sentence. Then figure out for each web page the conversion ratio between visitors to your website and sales of your book. This will tell you what your optimum value is.

Ultimately, if you happen to've written a book that solves a problem or presents a new technique, your ebook will herald both site visitors and profits. So be sure you write that selling-handle sentence that sums up what downside your book solves and what the advantages of your 1511 e book can be to the purchasers who buy it.
