Do this by making a gross sales page for the new e-book, but don't embrace a price on that page. As a substitute, add plenty of hyperlinks to survey questions that ask pointed questions to help you in assigning a price to your ebook.

One other technique is to test out prices by making a number of duplicate gross sales pages with different prices on each page. Be sure that your gross sales copy is strictly the identical on every

page, and contains your promoting-deal with sentence. Then work out for every page the conversion ratio between guests to your web site and gross sales of your book. It will let you know what your optimum value is.

Finally, if you've written a ebook that solves a downside or presents a brand new method, your e book will herald both traffic and profits.
