One other strategy is to test out costs by creating a variety of duplicate gross sales pages with different costs on every page. Ensure that your sales copy is precisely the similar on every web

page, and consists of your selling-deal with sentence. Then figure out for every page the conversion ratio between visitors to your site and gross sales of your book. This will tell you what your optimum value is.

Finally, in the event you've written a e book that solves a problem or presents a brand new technique, your e book will herald both visitors and profits.
