An effective approach for determining a value is to ship out a survey to your present customers. If these clients have already purchased an e-book from you, ask for their opinion in terms of price. Do that by making a gross sales page for the new ebook, but do not embrace a price on that page. Instead, add quite a few links to survey questions that ask pointed questions to aid you in assigning a worth to your ebook.

Another strategy is to check out costs by creating a number of duplicate sales pages with totally different costs on every page. Be certain that your gross sales copy is exactly the same on every

page, and includes your selling-handle sentence. Then determine for each web page the conversion ratio between guests to your site and gross sales of your book. This may inform you what your optimum price is.
