If these customers have already purchased an e book from you, ask for his or her opinion when it comes to price. Do that by making a gross sales page for the new e-book, but do not include a value on that page. Instead, add a number of links to survey questions that ask pointed questions to assist you in assigning a price to your ebook.

One other technique is to test out prices by creating a number of duplicate gross sales pages with totally different costs on each page. Make sure your gross sales copy is exactly the identical on every page, and contains your promoting-deal with sentence. Then determine for every page the conversion ratio between guests to your website and sales of your book. This will inform you what your optimum worth is.

Ultimately, if you've written a e book that solves a problem or presents a new method, your guide will herald each traffic and profits. So be sure you write that promoting-deal with sentence that sums up what downside your e-book solves and what the advantages of your 1840 book will likely be to the purchasers who purchase it.
