An effective approach for determining a value is to ship out a survey to your present customers. If these customers have already purchased an e-book from you, ask for his or her opinion in terms of price. Do this by creating a gross sales web page for the brand new e-book, however do not include a price on that page. As a substitute, add quite a few hyperlinks to survey questions that ask pointed questions to assist you in assigning a value to your ebook.

Another technique is to check out costs by creating a variety of duplicate gross sales pages with different prices on each page. Be sure your gross sales copy is precisely the same on each page, and contains your promoting-deal with sentence. Then work out for each page the conversion ratio between visitors to your web site and sales of your book. This will tell you what your optimum price is.

In the end, in case you've written a guide that solves a problem or presents a brand new technique, your ebook will bring in each site visitors and profits.
