Do that by making a sales web page for the brand new e book, however don't include a worth on that page. Another strategy is to check out costs by creating a number of duplicate gross sales pages with completely different prices on each page. Ensure that your gross sales copy is exactly the identical on every page, and contains your promoting-handle sentence. Then figure out for every page the conversion ratio between visitors to your website and gross sales of your book. This can inform you what your optimum worth is.

In the end, in the event you've written a e-book that solves a problem or presents a new method, your e book will bring in both visitors and profits.
