Start on the highest value the market will bear to herald the largest earnings, and plan to discount the e book a variety of times throughout the year.

web page, and consists of your promoting-deal with sentence. Then work out for every web page the conversion ratio between visitors to your site and gross sales of your book. It will tell you what your optimum price is.

Finally, in the event you've written a e book that solves a problem or presents a new approach, your e book will usher in both traffic and profits.
