An effective method for determining a value is to ship out a survey to your current customers. If these clients have already bought an e-book from you, ask for their opinion by way of price. Do this by making a gross sales page for the new e-book, but do not include a price on that page. Instead, add numerous hyperlinks to survey questions that ask pointed questions to help you in assigning a worth to your ebook.

One other strategy is to test out costs by making a variety of duplicate gross sales pages with different prices on every page. Be certain your sales copy is precisely the same on each page, and

includes your promoting-handle sentence. Then figure out for every page the conversion ratio between guests to your web site and gross sales of your book. It will inform you what your optimum worth is.

Ultimately, when you've written a e-book that solves a drawback or presents a new technique, your e book will herald each traffic and profits.
