Do that by making a sales page for the new e-book, however do not include a worth on that page. As an alternative, add quite a few links to survey questions that ask pointed questions to aid you in assigning a worth to your ebook.

Another technique is to test out prices by making a number of duplicate sales pages with totally different prices on each page. Ensure that your gross sales copy is exactly the identical on each

page, and contains your promoting-deal with sentence. Then work out for each page the conversion ratio between guests to your web site and sales of your book. This can let you know what your optimum worth is.

Finally, if you've written a e book that solves a downside or presents a new method, your book will bring in each site visitors and profits.
