Another strategy is to test out prices by making a variety of duplicate gross sales pages with different prices on every page. Be certain that your gross sales copy is exactly the identical on

each page, and contains your promoting-deal with sentence. Then determine for each page the conversion ratio between guests to your site and gross sales of your book. It will let you know what your optimum price is.

Finally, in the event you've written a e-book that solves a drawback or presents a brand new approach, your e-book will bring in both site visitors and profits.
