If these prospects have already purchased an e-book from you, ask for his or her opinion in terms of price. Do that by making a sales web page for the brand new ebook, however don't embrace a price on that page. As a substitute, add numerous links to survey questions that ask pointed questions to assist you in assigning a value to your ebook.

One other strategy is to check out prices by creating a number of duplicate sales pages with totally different costs on each page. Make sure that your gross sales copy is precisely the similar on every

web page, and includes your promoting-deal with sentence. Then determine for every web page the conversion ratio between visitors to your site and sales of your book. This may let you know what your optimum price is.

In the end, should you've written a ebook that solves a downside or presents a new method, your ebook will bring in each site visitors and profits.
