Do that by making a sales page for the brand new e-book, however don't embrace a price on that page. As an alternative, add a variety of hyperlinks to survey questions that ask pointed questions to aid you in assigning a worth to your ebook.

One other technique is to test out costs by creating a number of duplicate gross sales pages with different prices on every page. Be sure your sales copy is strictly the similar on every page, and contains your selling-deal with sentence. Then determine for every web page the conversion ratio between guests to your site and gross sales of your book. It will inform you what your optimum price is.

In the end, when you've written a e book that solves a downside or presents a new approach, your guide will herald each site visitors and profits.
