Needless to say the above pricing strategy is temporary. Eventually, you will stop to sell books at this excessive price. So determine prematurely how long you plan to supply your book at this excessive worth, and when that time is up, change your pricing strategy.

If you wish to see large earnings over buyer draw, intention for an audience that's looking for straightforward solutions to their problems at a low price. If your ebook is geared toward solving one specific drawback quite than normal recommendation, then you may charge more. Begin on the highest value the market will bear to herald the largest income, and plan to low cost the guide a variety of times all through the year.
