price. Do that by making a gross sales web page for the brand new e-book, but don't embrace a value on that page. As an alternative, add numerous hyperlinks to survey questions that ask pointed questions to assist you in assigning a value to your ebook.

Make certain your sales copy is strictly the same on every web page, and consists of your selling-handle sentence. Then figure out for each web page the conversion ratio between guests to your web site and sales of your book. It will inform you what your optimum worth is.

Finally, when you've written a ebook that solves a drawback or presents a brand new approach, your e-book will usher in each site visitors and profits.
