If these customers have already bought an e book from you, ask for his or her opinion in terms of price. Do that by creating a sales page for the new guide, but don't embody a value on that page. As an alternative, add a variety of hyperlinks to survey questions that ask pointed questions to help you in assigning a worth to your ebook.

One other technique is to test out prices by creating a number of duplicate gross sales pages with

different costs on every page. Ensure your sales copy is exactly the same on each web page, and contains your selling-deal with sentence. Then determine for every web page the conversion ratio between guests to your website and sales of your book. This can inform you what your optimum value is.

In the end, in case you've written a e-book that solves a problem or presents a brand new approach, your e book will bring in both visitors and profits.
