Do this by creating a gross sales page for the new e-book, but do not embody a value on that page. As an alternative, add a variety of links to survey questions that ask pointed questions to help you in assigning a price to your ebook.

Another technique is to test out prices by making a number of duplicate sales pages with completely different prices on each page. Ensure your sales copy is precisely the similar on every web page,

and consists of your promoting-deal with sentence. Then determine for every web page the conversion ratio between guests to your web site and gross sales of your book. This may let you know what your optimum price is.
