price. Do that by creating a gross sales web page for the new book, however do not embody a value on that page. Instead, add a number of hyperlinks to survey questions that ask pointed questions to aid you in assigning a price to your ebook.

One other strategy is to test out costs by making a variety of duplicate gross sales pages with completely different prices on each page. Ensure that your sales copy is exactly the identical on each web page, and consists of your selling-deal with sentence. Then work out for every page the conversion ratio between guests to your web site and sales of your book. This can tell you what your optimum value is.
