Do this by making a gross sales web page for the new book, but do not include a value on that page. As a substitute, add plenty of links to survey questions that ask pointed questions to help you in assigning a value to your ebook.

One other strategy is to check out prices by making a variety of duplicate gross sales pages with different costs on each page. Ensure that your sales copy is precisely the same on each web page,

and contains your selling-handle sentence. Then determine for each page the conversion ratio between guests to your web site and sales of your book. It will let you know what your optimum value is.
