Instead, add a lot of hyperlinks to survey questions that ask pointed questions to aid you in assigning a worth to your ebook.

Another technique is to test out costs by making a variety of duplicate gross sales pages with completely different prices on each page. Make sure that your sales copy is precisely the same on every page, and includes your selling-deal with sentence. Then figure out for every web page the conversion ratio between guests to your site and sales of your book. It will inform you what your optimum value is.

In the end, for those who've written a e-book that solves a drawback or presents a brand new approach, your guide will herald both visitors and profits.
