Do this by creating a gross sales web page for the brand new e book, however do not embrace a value on that page. As a substitute, add a number of links to survey questions that ask pointed questions to help you in assigning a worth to your ebook.

One other technique is to check out prices by creating a number of duplicate sales pages with different costs on every page. Make sure your sales copy is strictly the similar on each page, and contains your promoting-deal with sentence. Then determine for every web page the conversion ratio between guests to your site and sales of your book. This may tell you what your optimum worth is.

Ultimately, in case you've written a e-book that solves a problem or presents a new method, your e-book will usher in each traffic and profits.
