price. Do that by making a gross sales web page for the new e book, but do not embody a value on that page. As a substitute, add a lot of links to survey questions that ask pointed questions to help you in assigning a worth to your ebook.

One other strategy is to check out costs by creating a number of duplicate sales pages with totally different costs on every page. Make certain your sales copy is exactly the same on each page, and includes your promoting-deal with sentence. Then determine for each web page the conversion ratio between visitors to your web site and gross sales of your book. It will tell you what your optimum worth is.

In the end, if you happen to've written a ebook that solves a downside or presents a brand new method, your e-book will bring in each site visitors and profits.
