The key that unlocks the sales potential of your book is to discover a single sentence that becomes your selling handle. This sentence states what query or downside your guide answers and the benefits your book can provide. Then you'll want to use that sentence in each piece of gross sales and

promotional materials, and every time anybody asks you about your ebook.

An effective approach for determining a worth is to ship out a survey to your present customers. If these prospects have already bought an ebook from you, ask for his or her opinion by way of price. Do this by making a gross sales page for the brand new book, but don't embody a worth on that page. Instead, add numerous hyperlinks to survey questions that ask pointed questions to aid you in assigning a value to your ebook.

One other technique is to test out prices by creating a variety of duplicate gross sales pages with different costs on each page. Be certain your gross sales copy is exactly the same on every web page, and consists of your selling-deal with sentence. Then determine for every page the conversion ratio between guests to your website and sales of your book. This may let you know what your optimum value is.
