these customers have already purchased an e book from you, ask for their opinion in terms of price. Do that by creating a gross sales page for the brand new book, however don't embody a value on that page. As a substitute, add plenty of links to survey questions that ask pointed questions to aid you in assigning a value to your ebook.

Another technique is to test out costs by creating a number of duplicate gross sales pages with different costs on every page. Make sure that your gross sales copy is strictly the identical on every page, and consists of your promoting-deal with sentence. Then work out for each web page the conversion ratio between visitors to your website and sales of your book. This may inform you what your optimum value is.

In the end, in the event you've written a guide that solves a problem or presents a brand new technique, your e-book will bring in both site visitors and profits.
