this by creating a sales web page for the new ebook, however don't embody a worth on that page. As a substitute, add a variety of hyperlinks to survey questions that ask pointed questions to aid you in assigning a value to your ebook.

One other strategy is to test out prices by making a variety of duplicate sales pages with different prices on each page. Ensure your sales copy is precisely the same on each page, and contains your promoting-deal with sentence. Then figure out for every page the conversion ratio between guests to your website and gross sales of your book. This can let you know what your optimum worth is.

Finally, in the event you've written a guide that solves a problem or presents a brand new technique, your e book will herald each traffic and profits.
