Moreover promoting your books assiduously on-line, there are a number of different methods that can make it easier to sell more books.

An efficient method for figuring out a value is to ship out a survey to your current customers. If these customers have already purchased an e book from you, ask for his or her opinion by way of price. Do this by creating a gross sales web page for the brand new e book, but do not include a price on that page. As an alternative, add plenty of hyperlinks to survey questions that ask pointed questions to assist you in assigning a price to your ebook.

Another strategy is to test out costs by making a variety of duplicate gross sales pages with totally different prices on every page. Make sure that your sales copy is exactly the same on every

page, and consists of your promoting-handle sentence. Then determine for each page the conversion ratio between visitors to your web site and sales of your book. This will let you know what your optimum value is.
