An effective technique for determining a worth is to send out a survey to your present customers. If these customers have already bought an e-book from you, ask for their opinion when it comes to price. Do this by creating a sales web page for the new ebook, however do not embrace a worth on that page. As an alternative, add various hyperlinks to survey questions that ask pointed questions to aid you in assigning a worth to your ebook.

One other strategy is to test out costs by creating a variety of duplicate gross sales pages with completely different costs on each page. Ensure that your sales copy is strictly the same on every

page, and consists of your selling-handle sentence. Then figure out for each page the conversion ratio between visitors to your website and gross sales of your book. This can tell you what your optimum worth is.

Finally, for those who've written a e-book that solves a downside or presents a brand new technique, your ebook will usher in both visitors and profits. So make sure you write that selling-handle sentence that sums up what downside your guide solves and what the benefits of your 2474 guide will be to the shoppers who buy it.
