As a substitute, add a lot of links to survey questions that ask pointed questions to help you in assigning a price to your ebook.

Another technique is to check out prices by making a number of duplicate sales pages with different prices on each page. Be sure that your gross sales copy is precisely the identical on every web

page, and includes your selling-handle sentence. Then determine for every web page the conversion ratio between guests to your web site and gross sales of your book. It will inform you what your optimum price is.

Finally, if you've written a e book that solves a drawback or presents a new approach, your e book will herald each site visitors and profits.
