Advertising Strategies

The important thing that unlocks the gross sales potential of your e book is to find a single sentence that turns into your promoting handle. Then make sure you use that sentence in every piece of sales and promotional material, and every time anybody asks you about your ebook.

Moreover promoting your books assiduously online, there are several other strategies that may allow you to promote more books.

One is to give one thing away for free with your ebook, reminiscent of a useful bonus item. Or bundle several ebooks under one price, which lowers the worth for each e-book in the event that they were bought separately.

An efficient technique for determining a price is to ship out a survey to your present customers. If these customers have already bought an ebook from you, ask for his or her opinion by way of price. Do that by creating a sales page for the new guide, but do not include a worth on that page. Instead, add numerous links to survey questions that ask pointed questions to assist you in assigning a value to your ebook.

Another strategy is to test out prices by making a number of duplicate sales pages with different prices on each page. Be certain your gross sales copy is strictly the similar on every page, and includes your selling-handle sentence. Then work out for each web page the conversion ratio between guests to your web site and sales of your book. This will tell you what your optimum value is.

Finally, in case you've written a e book that solves a downside or presents a new method, your book will herald both site visitors and profits. So be sure you write that promoting-deal with sentence
