that by creating a gross sales page for the brand new book, however do not embody a worth on that page. As an alternative, add quite a few hyperlinks to survey questions that ask pointed questions to assist you in assigning a value to your ebook.

Another strategy is to check out prices by making a number of duplicate sales pages with different costs on every page. Make sure that your gross sales copy is exactly the identical on each web page, and contains your selling-handle sentence. Then determine for every web page the conversion ratio between guests to your site and gross sales of your book. This can tell you what your optimum price is.
