If your book is aimed toward solving one explicit problem somewhat than common recommendation, then you may charge more. Start on the highest worth the market will bear to usher in the largest earnings, and plan to discount the ebook a number of times throughout the year.

One other technique is to check out costs by creating a number of duplicate gross sales pages with different prices on each page. Ensure that your sales copy is strictly the same on every page, and

includes your selling-handle sentence. Then work out for every web page the conversion ratio between visitors to your web site and gross sales of your book. It will inform you what your optimum value is.
