Another technique is to check out costs by making a number of duplicate sales pages with different costs on each page. Make sure your sales copy is exactly the identical on each page, and includes

your promoting-deal with sentence. Then determine for each page the conversion ratio between guests to your site and sales of your book. This can let you know what your optimum price is.

In the end, if you've written a ebook that solves a downside or presents a brand new method, your e-book will usher in both site visitors and profits.
