If these customers have already purchased an e-book from you, ask for his or her opinion when it comes to price. Do that by making a gross sales web page for the new guide, however don't include a value on that page. As an alternative, add quite a lot of hyperlinks to survey questions that ask pointed questions to help you in assigning a value to your ebook.

Another technique is to test out prices by making a number of duplicate sales pages with totally different costs on each page. Make sure your gross sales copy is precisely the similar on every

page, and consists of your selling-deal with sentence. Then work out for each web page the conversion ratio between guests to your web site and sales of your book. It will let you know what your optimum value is.

In the end, should you've written a guide that solves a downside or presents a brand new technique, your ebook will herald both traffic and profits. So make sure you write that selling-handle sentence that sums up what drawback your e book solves and what the advantages of your 277 e book shall be to the purchasers who buy it.
